“Serving and Protecting Our Community With Pride”

June 30, 2010

As Chief of the Medicine Hat Police Service it is my pleasure to write a letter of support for the Crime Stoppers program. Since its inception in our community in 1982, this program has proven to be a success. Joining together the resources of the police service, the community and the media in the fight against crime, it has resulted in the recovery of approximately \$2 million in property.

By offering a guarantee of anonymity and cash rewards, the program generates an estimated 200 tips per year and helps our officers solve many otherwise unsolvable crimes. As a non profit organization, the success of the Crime Stoppers program relies upon donations from individuals and corporations

Keeping our community safe is a shared responsibility. I would like to encourage members of our community to support Crime Stoppers to ensure its continued success and a safer community for us all.

Regards,

Andy McGrogan  
Chief of Police
